## Skin Repair

### Ultimate skin cream for a balanced skin microbiome

HeiQ Synbio Skin Repair contains synbiotics, our patented synergy of prebiotics and active probiotics. Synbiotics help restore the natural balance of your skin's microbiome and reduce the appearance of various aging signs. Enjoy a purified and silky smooth skin texture!

- ✔ Helps balance your skin's microbiome
- ✔ Improves the well-being of your skin
- ✔ Helps optimize your skin microbiome for renewing, rebalancing, & improving healthy skin appearance
- ✔ Penetrates the skin quickly and does not leave an oily sensation
- ✔ Does not use alcohol
- ✔ Made in Belgium with patented HeiQ Synbio technology
- ✔ 180ml bottle

#### Recommended use:

- Apply to skin daily
- Gently massage into skin
